

are you
ready
for
realm?

**CHOOSE
YOUR
PLATFORM**

STEP ONE: BUILD YOUR PROFILE

Realm is about to rock your church world. You'll soon be checking it for upcoming events, volunteer opportunities, and entertaining posts from your favorite St. Brigit Influencers.

But first, point your smart phone or tablet camera at one of the QR Codes above to verify that you've already downloaded Realm Connect. Most parishioners have. If you haven't downloaded the application yet, do it now.

Open Realm Connect. If you have a user ID already, log in. If you can't remember your password, now is a good time to change it. If you haven't created an account yet, do it now using the email address you use for church emails.

Once you've opened the Realm Connect application scan the QR Code below to open a PDF Handout showing you how to find and update your Realm Profile.
